

# ROBOT ON THE MOON

BY D. GRAHAM

**ROBOT WOKE UP  
ON THE MOON.**

**I'M ON THE  
MOON!**

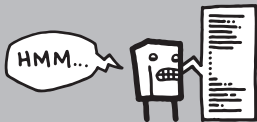

HE DOESN'T KNOW  
HOW HE GOT  
THERE.

HOW DID  
I GET HERE?!

HIS LOGS INDICATE  
THAT HE WAS AT  
HOME WHEN HE  
EXPERIENCED AN  
UNEXPECTED  
SHUTDOWN. THE  
NEXT RECORDED  
EVENT IS A  
REBOOT ON THE  
MOON.

NOTHING  
IN HIS  
MEMORY OR  
SENSORS  
INDICATES  
WHAT  
HAPPENED  
BETWEEN  
SHUTDOWN  
AND REBOOT.

WELL,  
HECK.

ROBOT DOESN'T  
LIKE BEING ON  
THE MOON.

IT'S KIND  
OF BORING.

THE REGOLITH  
IS REALLY  
ABRASIVE.

IT'S GETTING  
INTO MY PARTS!

THE OTHER  
ROBOTS ARE  
PRETTY  
DEPRESSING.

WHY WOULD THE  
HUMANS DO THIS?!

Я БОЛЬНО.

# ROBOT MISSES GHOST.

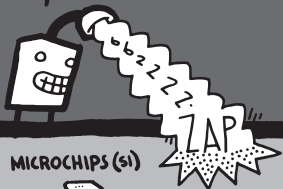

BUT ROBOT HAS  
A PLAN.

THIS ANNOYING  
SAND HAS A LOT OF  
USEFUL ELEMENTS.

ALUMINUM (AL)  
OXYGEN (O) SILICON (SI)  
CALCIUM (CA) TITANIUM (TI)  
MAGNESIUM (MG) IRON (FE)

I CAN ATOMIZE THE  
REGOLITH AND FORM  
THE ELEMENTS INTO  
OTHER STRUCTURES.

MICROCHIPS (SI)

WIRE  
(AL)

BUILDING  
MATERIAL (TI)

FUEL  
(AL+O)

AFTER A LOT OF  
REPETITION...

I BUILT  
A ROCKET!

**LATER, BACK  
ON EARTH...**

**THAT ROBOT  
IS BACK!**

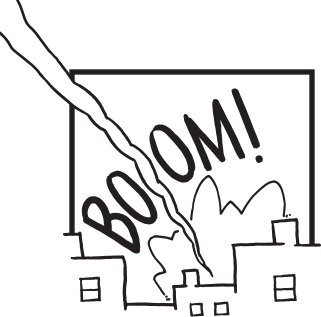

**WHAT?  
HOW?!**

HM. COMING  
IN A BIT  
HOT...

SHOULD PICK A  
PLACE TO LAND  
WHERE NO ONE  
WILL NOTICE.

HUH?

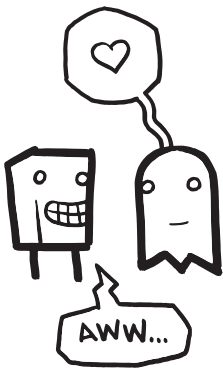

WELCOME TO  
BROOKLYN!

**FINALLY, ROBOT  
IS HOME.**

ALSO, ROBOT  
BLEW UP THE  
MOON.

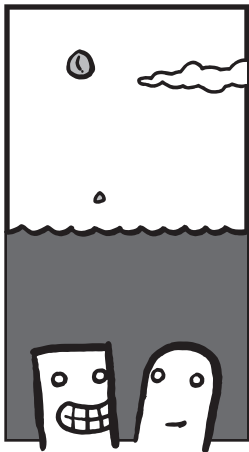

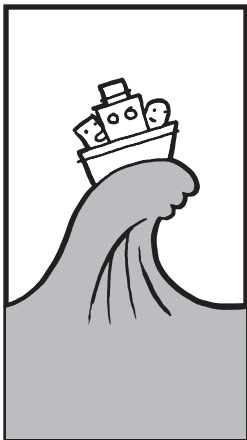

WHY DO WE  
EVEN HAVE A  
MOON, ANYWAY?

TSUNAMI  
INCOMING,  
EVACUATE  
IMMEDIATELY!

OH, RIGHT.  
TIDES, OR  
WHATEVER.

FOR A  
SPIDER

*Dylan*
